Thro,

Sir,

I have the honour to state that the lines on which the co-operation of the Amildars and his staff in the Revenue Department are essential to the District Board in the satisfactory discharge of their duties under the District Board Regulation formed the subject of consideration by the District Board in their meeting held on the 26th March 1927 and the Board were agreeable to have the sanction of Government solicited for orders being formulated on the lines embodied in the accompanying office note.

2. Copy of their resolution on the subject is enclosed for the information of the Government.

3. The suggestion conveyed by the Government in their letter No.L.5070-85 L.B. dated the 31st January 27 to disburse salaries either by cheques or by money order is found impracticable in certain instances where the amounts are less than Rs.10/- and where the servants are in places out of reach of postal facilities. Further remittance by money order or cheques does not often secure proper acquittance.

4. I therefore request that definite and clear orders

orders may kindly be passed on the lines suggested in the office note as approved by the Board.

To

The General Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

SIR, RJ 9/6/28

Referring to your letter No.L.8147 dated 11th May 1927 forwarding copy of letter No.H.C.52/26-27 dated 2nd April 1927 from the President, District Board, Kolar, together with copies of its enclosures, indicating the lines on which he expects cooperation of the Amildars and their staff for the satisfactory discharge of the duties of the District Board, and requesting my opinion as to how far the requests made by him can be complied with, I have the honour to state that on receipt of your communication under reference, I wrote to the Deputy Commissioners requesting their opinion in the matter. The replies received from the Deputy Commissioners of Districts except Bangalore, are herewith forwarded in original for your information. The Deputy Commissioners of Kolar, Tumkur Mysore, Shimoga, Kadur and Chitaldrug generally agree to the proposals made by the President, Kolar District Board, and the Deputy Commissioner, Mysore wants it to be made clear that it should be only a matter of cooperation and not subordination and that the Amildars should be addressed with proper courtesy and etiquette by the non-official Presidents and Vice Presidents of District Boards. The Deputy Commissioner, Hassan District is of opinion that ~~if~~ it is not possible to comply with the ~~report~~ request made by the President, Kolar District Board.

P.T.O.

I agree to the opinions expressed by the majority of Deputy Commissioners. Even now there is a certain amount of cooperation but it is desirable that it should be made clear that as the District Board works primarily for the benefit of the people other departments should always cooperate with this semi official agency. The Amildars and their staff under them may be directed to cooperate with the District Boards on the lines proposed by the President of the Kolar District Board.

I have the honour to be,

Sir,

Your most obedient servant,
